THE GOOD WORK AT GUANTANAMO

(Mr. PRICE of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PRICE of Georgia. Mr. Speaker, like many Americans, I have heard of some activities at the detention facility at Guantanamo Bay that have given me some concern. Unlike most Americans, I recently had the opportunity to visit Guantanamo and what I

saw with my own eyes was not what I had heard.

All Americans can be proud of our servicemen and women who protect us, including those at Guantanamo. They are our moms and our dads, our brothers and our sisters, our sons and our daughters, and they are running a professional, respectful, orderly and clean detention facility that is vital to our security.

The war on terror continues. The men being held at Guantanamo are constantly being evaluated to determine whether their detention should continue. Are they still a threat, or can they provide further information in the war on terror? For each of them the answer is clearly yes.

Mr. Speaker, General Raymond Hood and all members of the Joint Task Force at Guantanamo should be honored and commended for their work and help in protecting all Americans.

PROVIDING HEALTH CARE SECURITY FOR ALL AMERICANS

(Mrs. BLACKBURN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. BLACKBURN. Mr. Speaker, this evening we have addressed our Nation's homeland security with the reauthorization of the PATRIOT Act, putting the focus where it should be, keeping this Nation safe.

My constituents talk with me not only about homeland security and economic security, but about our health care security.

Mr. Speaker, I would like to commend the gentleman from Texas (Mr. SAM JOHNSON) for the Small Business Health Fairness Act that he has filed. We talk about small businesses buying association health plans, being able to group together to buy health insurance to provide for their small business employees. This is a good idea. It helps bolster our Nation's economic engine, those small businesses.

I commend the gentleman from Texas. I cosponsored his legislation. I look forward to supporting it as he begins to move that to the floor and we keep the focus on security in this great Nation.

PRODUCTION, CONFIDENCE AND THE ECONOMY

(Ms. FOXX asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. FOXX. Mr. Speaker, the impact of the President's ambitious agenda and our work in the House is ensuring that America's economy remains the strongest in the world. In fact, recent economic data shows the economy is providing the momentum necessary to drive steady jobs growth, despite Members of the minority party's attempts to distort our economic agenda.

In the month of June, our robust economy created more than 144,000
